Meanwhile, the operator did not express interest in the 5 MHz (TDD) spectrum amount in the 2100 MHz band, granted under the same authorization (valid until 30.10.2026).
3. Pursuant to Articles 69 and 70 of Law No. 54/2024 “On Electronic Communications in the Republic of Albania”, Article 191(8) of Law No. 54/2024, which provides that: “The secondary legislation adopted pursuant to Law No. 9918, dated 19.05.2008, ‘On Electronic Communications in the Republic of Albania’, as amended, shall remain in force after the entry into force of this Law, insofar as it does not conflict with its provisions, until the adoption of secondary legislation implementing this Law”, Council of Ministers Decision No. 496, dated 22.07.2014, “On the Approval of the Rules and Procedures for the Renewal of Individual Authorizations for the Use of Frequencies Assigned through Competitive Procedures”, as well as the Regulation “On the Organization and Functioning of the Electronic and Postal Communications Authority (AKEP)”, approved by AKEP Steering Council Decision No. 10, dated 31.03.2026, the Chairman of AKEP, by Order No. 183, dated 16.09.2026 (letter No. 1614/1 Prot., dated 16.09.2026), established the Working Group to assess compliance by the undertaking “One Albania” sh.a. with all conditions for the use of frequencies in the 2100 MHz band, for a spectrum amount of 2 × 10 MHz (FDD).

- Failure to take certain measures would cause irreparable harm to the public interest and to the legitimate rights and interests of the parties, with regard to the full achievement of the regulatory objectives set out in Article 12 of Law No. 54/2024;
- The prerequisites established by Law No. 44/2015 for the discretionary exercise of public authority are met, allowing the adoption of an interim decision extending the validity period of the Individual Authorization held by the undertaking "One Albania" sh.a. until the completion of the negotiation procedure.

6. Article 67 of Law No. 44/2015, entitled "Interim Decisions", is applicable at all stages of an administrative procedure, and the decision whether or not to adopt such a measure falls entirely within the discretion of the competent public authority. Furthermore, Council of Ministers Decision No. 496, dated 22.07.2014, "On the Approval of the Rules and Procedures for the Renewal of Individual Authorizations for the Use of Frequencies Assigned through Competitive Procedures", expressly recognizes, in Chapter IV, AKEP's authority to adopt interim decisions under the conditions and circumstances provided for therein.
